Proceedings of the Indian Academy of Sciences
(Animal Sciences)

Volume 99, 1990

CONTENTS

Volume 99, No. 1, January 1990

Fine structure of the regional differentiation of the ductus ejaculatorius simplex (EJ1, EJ2, EJ3) along with the role of their secretions in sperm activation and motility in two Noctuid species, *Heliothis armigera* (Hübner) and *Spodoptera litura* (Fabricius) (Lepidoptera). I. Fine structure and function of simplex 1 (EJ1) *G Amaldoss* 1

Fine structure of the regional differentiation of the ductus ejaculatorius simplex (EJ1, EJ2, EJ3) along with the role of their secretions in sperm activation and motility in two Noctuid species, *Heliothis armigera* (Hübner) and *Spodoptera litura* (Fabricius) (Lepidoptera). II. Fine structure and function of simplex 2 (EJ2) *G Amaldoss* 19

Antibiotic effects of resorcinol, gallic acid and phloroglucinol on *Heliothis armigera* Hübner (Insecta: Noctuidae) *T N Ananthakrishnan, R Senrayan, R S Annadurai and S Murugesan* 39

In vivo effect of dimethoate on acetylcholinesterases from a freshwater teleost, *Notopterus notopterus* *R S Hande and P V Pradhan* 53

Biochemical aspect of varietal resistance to rice green leafhoppers, *Nephotettix virescens* (Distant) and *Nephotettix nigropictus* (Stål) *Kasi Viswanathan and M B Kalode* 57

Polyacrylamide gel electrophoretic analysis of some species specific proteins in six Indian rodent genera (Subfam.: Gerbillinae and Murinae: Fam: Muridae) *M S Pradhan and A M Bhagwat* 67

Density and diversity in relation to the distribution of earthworms in Madras *S A Ismail, C Ramakrishnan and M M Anzar* 73

Birds of the man-made ecosystems: the plantations *R J Ranjit Daniels, Malati Hegde and Madhav Gadgil* 79

Volume 99, No. 2, March 1990

Aspects of spermiogenesis in *Arrhenothrips ramakrishnae* Hood (Insecta: Thysanoptera) *T N Ananthakrishnan and A Balu* 91

Histological studies on female *Setaria digitata* (von Linstow 1906), a filaria of bovine, *Bos indicus* *S William Decruse and R Kaleysa Raj* 103

Influence of neem kernel extract on morphogenesis and vitellogenic oocyte development in *Trogoderma granarium* everts
S Chellayan and G K Karnavar 113

Effect of plumbagin on haemocytes of *Dysdercus koenigii* F
B P Saxena and K Tikku 119

Changes in nucleic acids and protein content in relation to body size in the prawn *Penaeus indicus* H Milne Edwards *George Thomas and A D Diwan* 125

Biology of *Aphanogmus fijiensis* (Ferriere) (Hymenoptera: Ceraphronidae) a hyperparasite of *Diaphania indica* (Saunders) (Lepidoptera: Pyralidae) through *Apanteles taragamae* Viereck (Hymenoptera: Braconidae)
Clement Peter and B V David 131

Influence of biochemical parameters of host plants on the biology of *Dialeurodes vulgaris* Singh (Aleyrodidae: Homoptera)
R Sundararaj and B V David 137

On reconfirming the evidence for pre-imaginal caste bias in a primitively eusocial wasp
Raghavendra Gadagkar, Seetha Bhagavan, Rashmi Malpe and C Vinutha 141

Dynamics of a population of *Ceriodaphnia cornuta* Sars (Crustacea: Cladocera) from a seasonal pond in Madurai *N Murugan* 151

Biofilm characteristics in coastal waters of Bombay
R B Srivastava, S N Gaonkar and A A Karande 163

Volume 99, No. 3, May 1990

Foreword 175

Facets of chemical ecology in insect-plant interaction: An overview
T N Ananthakrishnan 177

Impact of natural products on the physiology of phytophagous insects
B P Saxena and K Tikku 185

Digestive physiology and food utilization of the larvae of *Earias vittella* (Lepidoptera: Noctuidae) from its malvaceous host plant *S S Krishna* 199

Aspects of insect resistance in crop plants *S Jayaraj and S Uthamasamy* 211

Biological control of weeds with insects: A dynamic phenomenon of insect-plant interaction *T Sankaran* 225

Impact of host food plant on parasitization behaviour in a larval parasitoid of *Heliothis armigera* (Hubner) *T V Sathe* 233

Bioenergetics in insect-plant interactions *J Muthukrishnan* 243

Insect induced plant galls in tissue culture *U Kant and Vidya Ramani* 257

Systematics and speciation in relation to insect-plant interactions
K G Sivaramakrishnan 267

Azadirachtin–A naturally occurring insect growth regulator
B Subrahmanyam 277

Volume 99, No. 4, July 1990

Vascularisation of the placenta in some bats
A Gopalakrishna and N Badwaik 289

Detection of chromosomal aberrations in the progenies of hydroxylammonium sulphate-induced recombinants in males of *Drosophila melanogaster*
G S Miglani, V P Singh and K Preet 305

Association of *Termitomyces* spp. with fungus growing termites
D K Sidde Gowda and D Rajagopal 311

Age-correlated tissue preferences of *Heliothis armigera* (Hubner) and *Spodoptera litura* (F) with special reference to phenolic substances
R S Annadurai, S Murugesan and R Senrayan 317

Hatching patterns in the silkworm *Bombyx mori* L. (PM × NB4D2) under different photoperiodic combinations
N Sivarami Reddy and K Sasira Babu 327

Population dynamics of *Brachionus patulus* Muller (Rotifera) in relation to food and temperature *S S S Sarma and T Ramakrishna Rao* 335

Accumulation, distribution and depuration of mercury in the green mussel *Perna viridis* (Linnaeus)
P K Krishnakumar, R Damodaran and P N K Nambisan 345

Volume 99, No. 5, September 1990

Biology of *Apanteles machaeralis* Wilkinson (Hymenoptera: Braconidae) a parasite of *Diaphania indica* (Saunders) (Lepidoptera: Pyralidae)
Clement Peter and B V David 353

Histopathological observations on the digestive gland of *Lymnaea auricularia* infected with larval trematodes *S L Choubisa* 363

Amino acids, aminotransferases and proteins in the metamorphosing silkworm, *Bombyx mori* L. *S Siva Prasad and P Murali Mohan* 369

Interrelationship between the states of chromosome compaction, replication and transcription patterns in the polytene-X chromosome of *Drosophila melanogaster* *D Mutsuddi, Mausumi Mutsuddi (nee Das) and A K Duttagupta* 377

Effect of formulated feeds on the amylase activity and growth in three species of carps *S V Phadate and L N Srikar* 387

Biology of *Tetrastichus pantnagarensis* (Hymenoptera: Eulophidae) a hyperparasite of *Diaphania indica* (Lepidoptera: Pyralidae) through *Apanteles taragamae* (Hymenoptera: Braconidae) *Clement Peter and B V David* 391

Tributyltin oxide induced alterations in exuvial weight and calcium content of the prawn, *Caridina rajadhari*
R Nagabhushanam, P S Reddy and R Sarojini 397

Protein requirement of juvenile *Penaeus indicus*. 1. Food consumption and growth *C Gopal and R Paul Raj* 401

Effect of heavy metal salts on the life history of *Daphnia similis* Claus (Crustacea: Cladocera) *Sudha Soundrapandian and K Venkataraman* 411

Volume 99, No. 6, November 1990

Development of visual cells in the toad *Bufo melanostictus* (Schneider)
Sultana Niazi and I A Niazi 419

Female accessory glands and sperm reception in Tingidae (Heteroptera)
David Livingstone and M H S Yacoob 431

Stridulation in the coconut rhinoceros beetle *Oryctes rhinoceros* (Coleoptera: Scarabaeidae) *A Mini and V K K Prabhu* 447

Genetic and morphological variations in the Indian mackerel *Rastrelliger kanagurta* (Cuvier 1817) from the Goa region
Maria R Menezes, Sandeep Naik and Maria Martins 457

Moulting patterns in the silkworm, *Bombyx mori* L. (PM × NB4D2) under different photoperiodic conditions
N Sivarami Reddy, T Pavan Kumar and K Sasira Babu 467

Effect of insect growth regulators on hatching of eggs of three vector mosquito species *V Vasuki* 477

A feeding test to identify rice varieties resistant to the leaf folder, *Cnaphalocrocis medinalis* (Guenee) *J S Bentur and M B Kalode* 483

Inherited and rearing components of aggressive dominance and autonomic reactivity in the rat *Sunitha Shankar and Mewa Singh* 493

Effect of imipramine and amitriptyline on circadian locomotor activity rhythm in the field mouse *Mus booduga* *P Subramanian and R Subbaraj* 503

Mineralization of phosphorus by faecal phosphatases of some earthworms of Indian tropics *R V Krishnamoorthy* 509

Production of rotifer, *Brachionus plicatilis* Muller fed with different cell densities of microalgae, *Chlorogibba trochisciaformis* Geiter
A S Rafiuddin and Kusuma Neelakantan 519

Colonization of marine foulants at a power plant site
N Sasikumar, K V K Nair and Jayapaul Azariah 525

Human evolution from the Miocene to the Present *Shama Barnabas* 533

Subject index 551

Author index 560
